ERIN MODEL 11 BRIGHT BLUE

Specs 4Us

See Something New

Erin's World frames - specially formatted to fit individuals with low bridges.

Are you tired of glasses that...
are uncomfortable? are too big? keep slipping?

Erin's World frames are custom-designed with shortened temples, extra wide frame fronts, and a lowered bridge. Temples are either 180° spring hinges or TR90. The frames are finished for the real world by using a Titanium memory flex bridge.
